

Notice of Construction:
Roe Creek Stilling Basin Dredging
Expect brief delays, Sea to Sky Trail

August 7, 2024

Dear Neighbour,

Preventative maintenance is being performed near Shadow Lake involving routine dredging (removal of sediment) at the Roe Creek Sediment Basin, located about 35 kilometres north of Squamish.(see map below).

To complete this work, trucks will be crossing the Sea to Sky Trail. The trail will remain open, but Sea to Sky Trail users will experience brief delays near Roe Creek. Traffic Management personnel will be on site directing trail users.

Where: Approximately 100 metres east of Roe Creek bridge, and 250 metres west of the CN rail crossing near the Transmission right-of-way.

When: August 12 to September 9, 2024.

Working Days/Hours: Monday to Saturday, 7 a.m. to 6 p.m.

Please follow the on-site traffic personnel's instructions when crossing.

For more information, please contact **1-866-647-3334** or [**projects@bchydro.com**](mailto:projects@bchydro.com).

Thank you for your patience and understanding as we proceed with this essential work.

Dayna Isber

Stakeholder Engagement Advisor, BC Hydro

The Roe Creek Stilling Basin, where dredging work will occur, is highlighted on the map above.
