

Construction Notice – Electrical Upgrade Work Fraser Highway, 184 Street to 185 Street, Surrey

July 31, 2024

We're working closely with the Surrey Langley SkyTrain Project team to accommodate the rapid transit extension from Surrey to Langley. This work includes the installation of a duct bank to accommodate the relocation of power lines from the north side of Fraser Highway to the south side.

A duct bank is a series of plastic conduits encased in concrete that house and protect underground cables. Construction will result in some eastbound and westbound lane closures and will impact driveway access on Fraser Highway.

Where: Fraser Highway, from 184 Street to just past 185 Street in Surrey.

When: Anticipated to start August 6 with targeted completion by mid-September.

Working Hours: Monday to Saturday from 7 a.m. to 5 p.m.

This work requires temporary traffic pattern changes. Traffic will be reduced to a single lane, in each direction along Fraser Highway. Access to 185 Street north of Fraser Highway will be intermittent. Please refer to page 2 for a map with detailed detours.

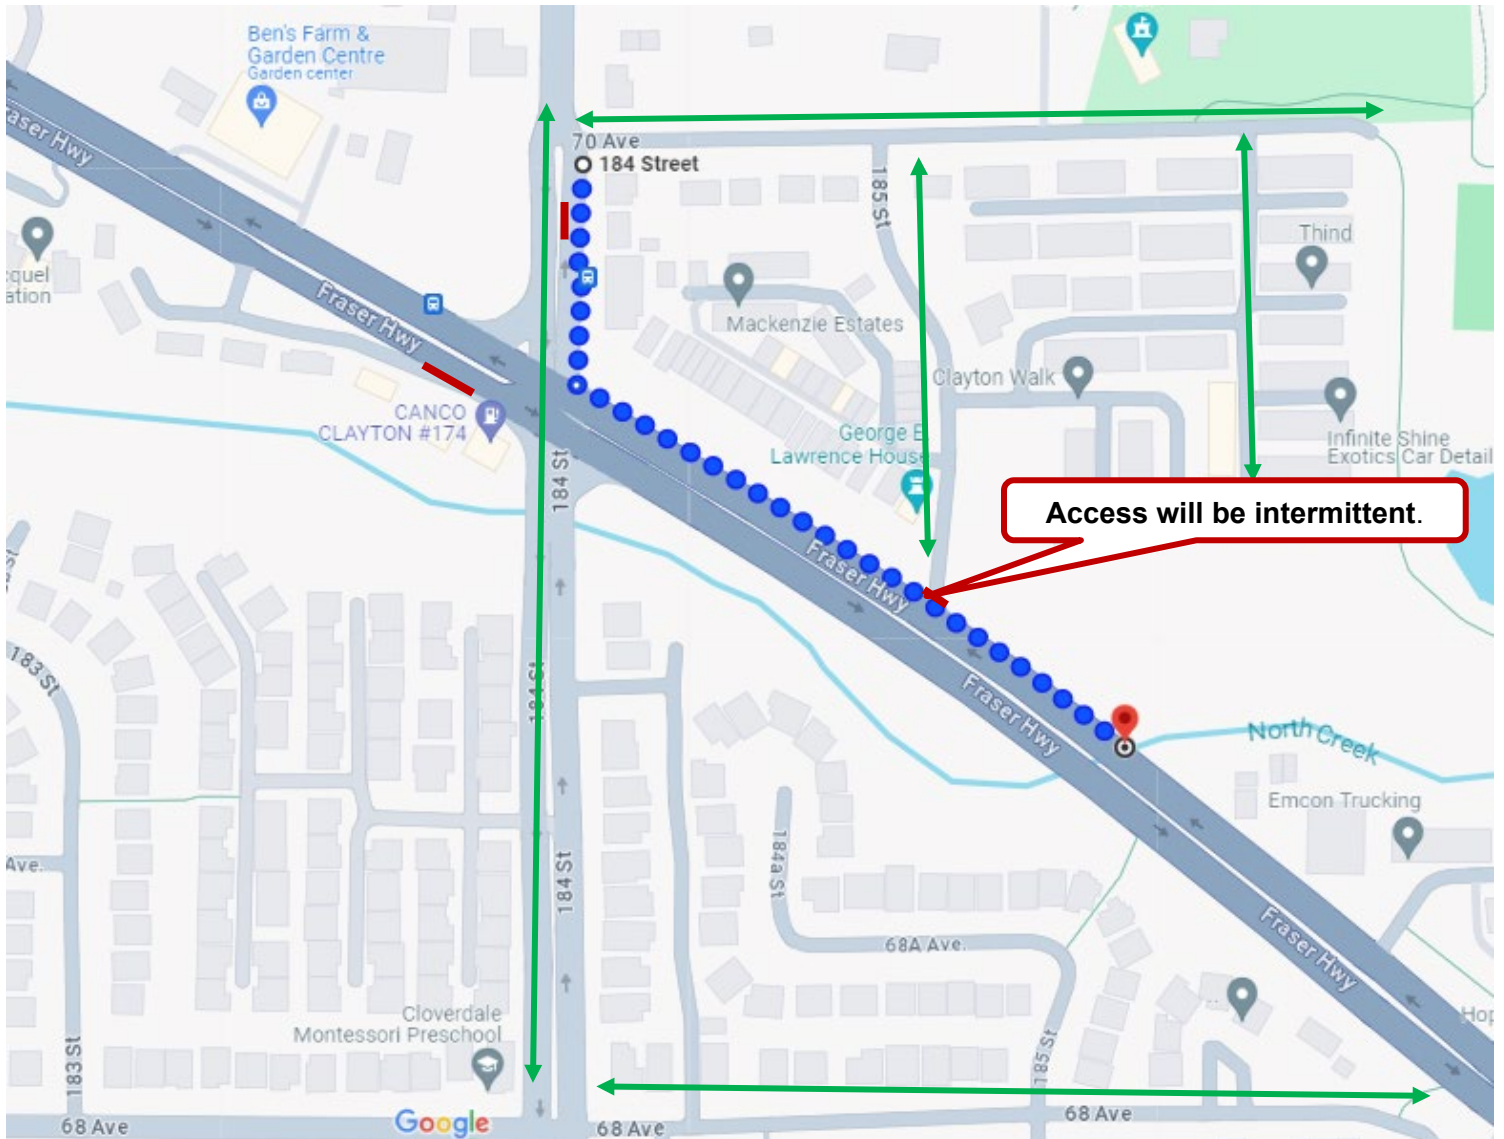

- To access 185 Street and residences north of Fraser Highway, please turn north on 184 Street then turn right to 70 Avenue.
- To access residences and businesses south of Fraser Highway, please turn south on 184 Street and use 68 Avenue to access 68A Avenue, 184A Street and 185 Street.
- Access at the 184 Street intersection north and south of Fraser Highway will be maintained.

Safety is our top priority. Sidewalks, bike lanes and bus stops on this route will be impacted and may not be available. Please follow the onsite signage provided by TransLink and the direction of the crew on site.

Drivers are advised to plan ahead and expect delays. Please reduce speed in the construction zone and follow the directions of traffic control personnel and posted signage.

If you have any questions or would like more information about our work to relocate the power lines and equipment, please contact us at 1-866-647-3334. Look for additional updates at www.bchydro.com/skytrain.

For inquiries directly related to the SkyTrain extension project, please contact surreylangleyskytrain@gov.bc.ca

Above: The work zone for ductbank work on Fraser Highway from 184 Street to just past 185 Street is highlighted in blue. Access routes are in green.

Legend:

-  Work Zone.
