

## Construction Notice – Electrical Upgrade Work

### Fraser Highway, 184 Street towards 188 Street, Surrey

September 11, 2024

We're working closely with the Surrey Langley SkyTrain Project team to accommodate the rapid transit extension from Surrey to Langley. This work includes the installation of a duct bank to accommodate the relocation of power lines from the north side of Fraser Highway to the south side.

A duct bank is a series of plastic conduits encased in concrete that house and protect underground cables. Construction will result in some eastbound and westbound lane closures and will impact driveway access on Fraser Highway.

**Where:** Fraser Highway, 184 Street towards 188 Street (see map on page 2 for specific end location) in Surrey.

**When:** Anticipated to start September 17 with targeted completion by end of October.

**Working Hours:** Monday to Saturday from 7 a.m. to 5 p.m.

This work requires temporary traffic pattern changes. Traffic will be reduced to a single lane, in each direction along Fraser Highway. Access to 185 Street north of Fraser Highway will be intermittent (see map on page 2).

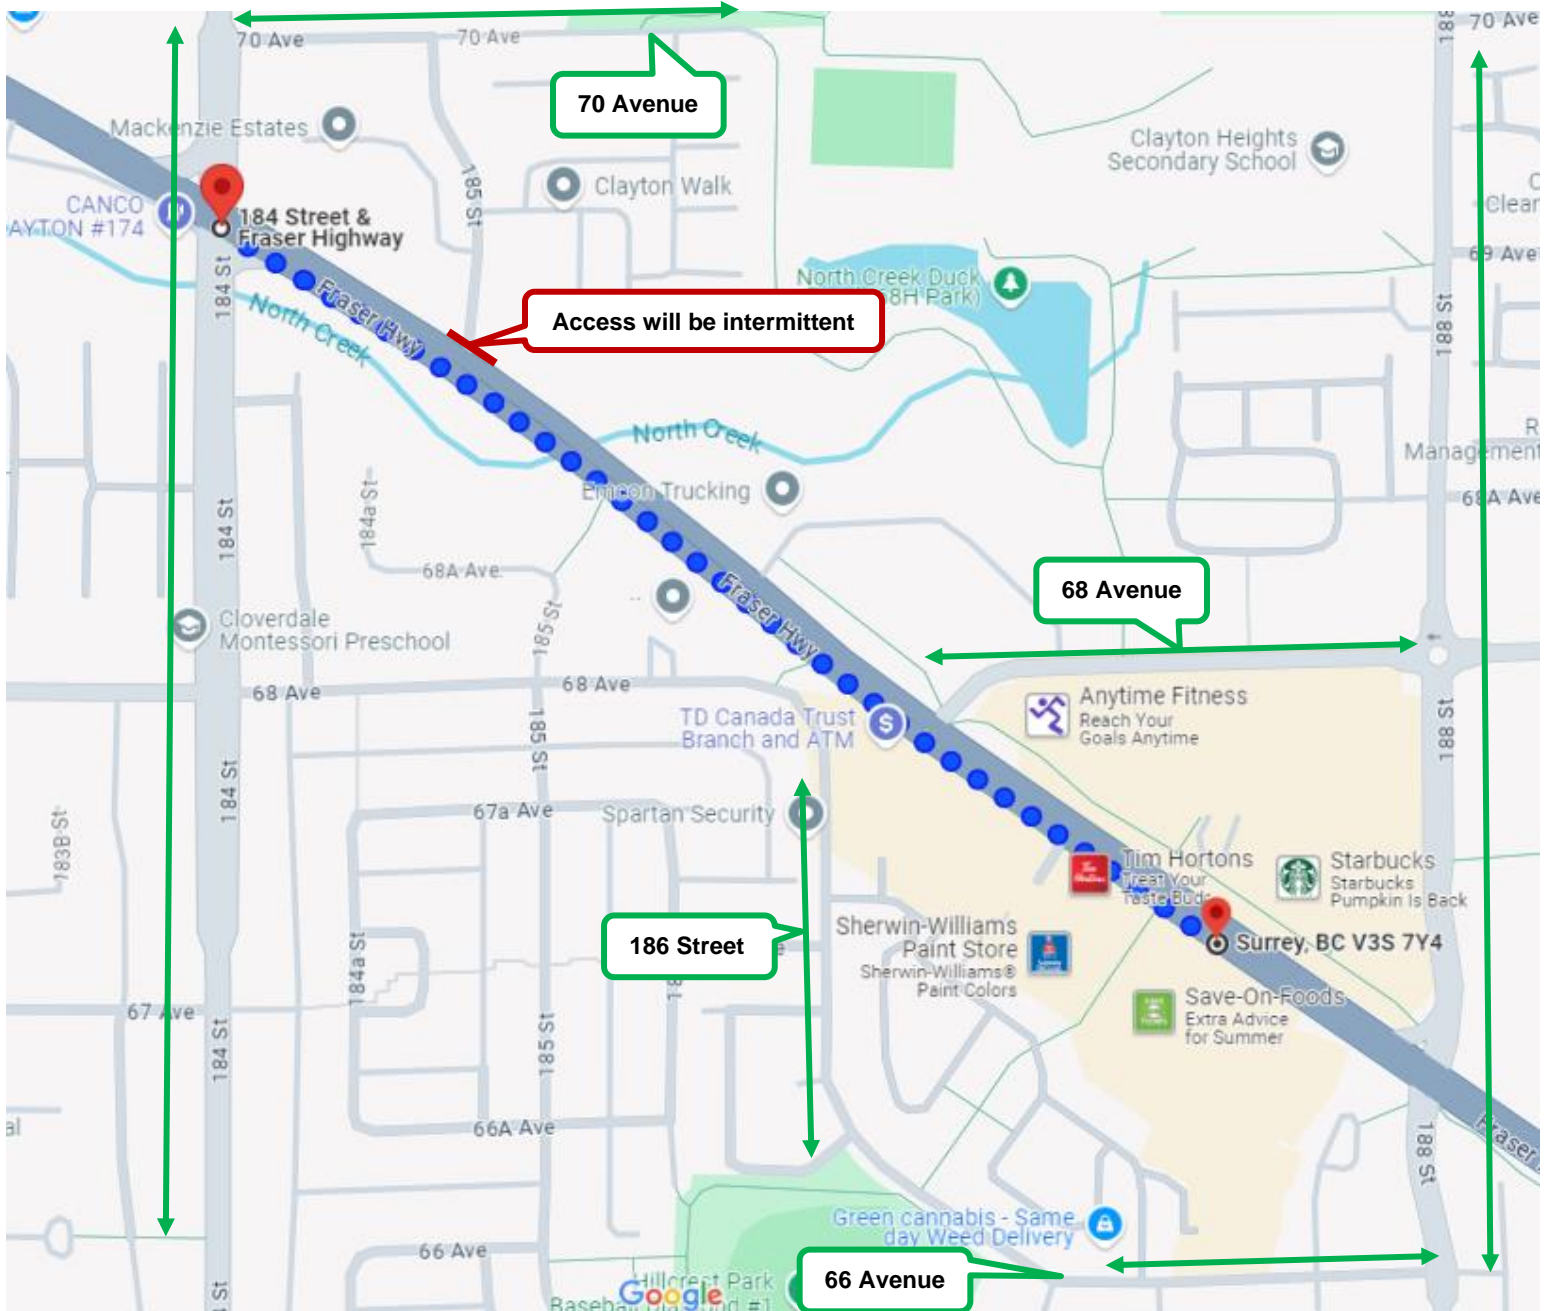

- Access at the 184 Street and 188 Street intersection north and south of Fraser Highway will be maintained (see map on page 2).
- To access 185 Street north of Fraser Highway, please take 184 Street to 70 Avenue (see map on page 2).

Safety is our top priority. Sidewalks, bike lanes and bus stops on this route will be impacted and may not be available. Please follow the onsite signage provided by TransLink and the direction of the crew on site.

Drivers are advised to plan ahead and expect delays. Please reduce speed in the construction zone and follow the directions of traffic control personnel and posted signage. Bicyclists are advised to look for [alternative bike routes](https://www.surrey.ca/sites/default/files/media/documents/surrey-bike-map.pdf) while the work is underway along Fraser Highway. <https://www.surrey.ca/sites/default/files/media/documents/surrey-bike-map.pdf>

If you have any questions or would like more information about our work to relocate the power lines and equipment, please contact us at 1-866-647-3334. Look for additional updates at [www.bchydro.com/skytrain](http://www.bchydro.com/skytrain).

For inquiries directly related to the SkyTrain extension project, please contact [surreylangleyskytrain@gov.bc.ca](mailto:surreylangleyskytrain@gov.bc.ca)

Above: The work zone for ductbank work on Fraser Highway, 184 Street towards 188 Street in Surrey is highlighted in blue. Access routes are in green.
