

Construction Notice – Electrical Upgrade Work 192 Street, from 64 Ave to Watkins Drive, Surrey

August 27, 2024

We're working closely with the Surrey Langley SkyTrain Project team to accommodate the rapid transit extension from Surrey to Langley. This work includes modifications to some of our existing overhead infrastructure and the installation of new utility poles along 64 Avenue, between 192 Street and Watkins Drive in Surrey.

For this work crews will install poles, pole equipment, and string power lines using trucks and heavy machinery. Please see page two for a map of the work area.

Where: 192 Street, from 64 Ave to Watkins Drive in Surrey.

When: September 3 with targeted completion by the end of the day

Working Hours: Tuesday 7 a.m. to 7 p.m

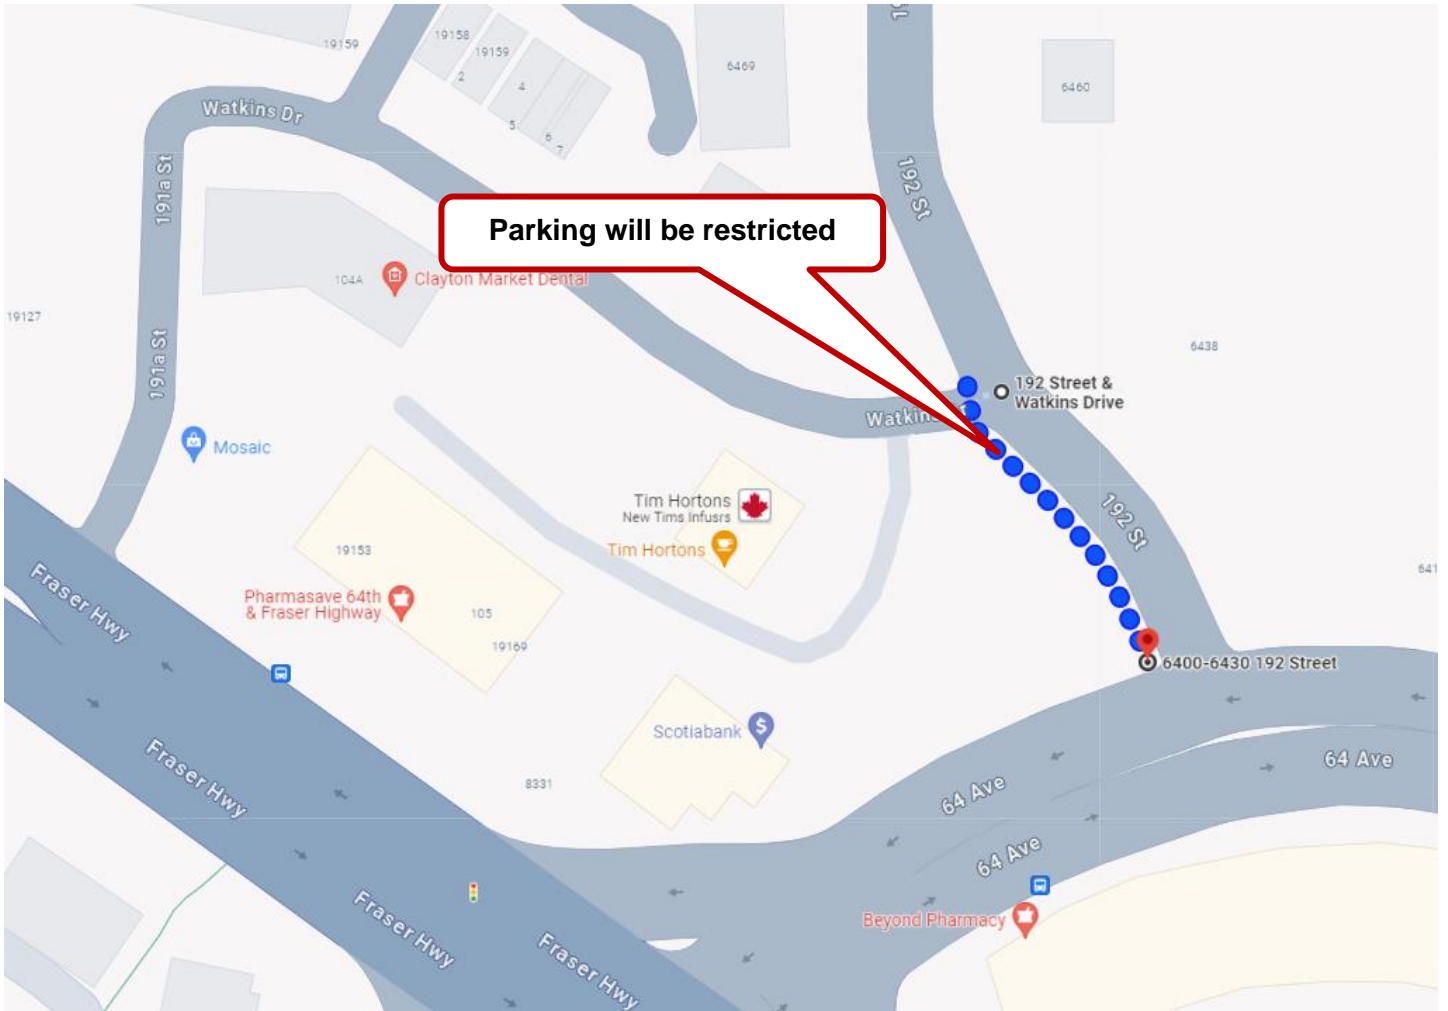

Some parking stalls at Tim Horton's will be restricted during this work. Please refer to page 2 for a map.

Safety is our top priority. This work requires temporary traffic pattern changes. Drivers are advised to plan ahead and expect delays. Please reduce speed in the construction zone and follow the directions of traffic control personnel and posted signage.

This project will ensure that we can continue to provide safe and reliable power to residents and businesses in the Lower Mainland and allow for the safe construction of the SkyTrain around the power lines.

If you have any questions or would like more information about our work to relocate the power lines and equipment, please contact us at 1-866-647-3334. Look for additional updates at www.bchydro.com/skytrain .

For inquiries directly related to the SkyTrain extension project, please contact surreylangleyskytrain@gov.bc.ca
