

Construction Notice – Electrical Upgrade Work Fraser Highway, 68 Avenue to 189 Street, Surrey

July 31, 2024

We're working closely with the Surrey Langley SkyTrain Project team to accommodate the rapid transit extension from Surrey to Langley. This work includes the installation of a duct bank to accommodate the relocation of power lines from the north side of Fraser Highway to the south side.

A duct bank is a series of plastic conduits encased in concrete that house and protect underground cables. Construction will result in some eastbound and westbound lane closures and will impact driveway access on Fraser Highway.

Where: Fraser Highway, from 68 Avenue to just past 189 Street in Surrey

When: Anticipated to start August 6 with targeted completion by mid-September.

Working Hours: Monday to Saturday from 7 a.m. to 5 p.m.

This work requires temporary traffic pattern changes. Traffic will be reduced to a single lane, in each direction along Fraser Highway. Please refer to page 2 for a map with detailed detours. Access at the following areas will be intermittent;

- 188 Street intersection north and south of Fraser Highway.
- 189 Street north of Fraser Highway.
- Some left turns into commercial complexes off Fraser Highway.
- To access the residences and businesses north of Fraser Highway, please go north on 68 Avenue then turn south to access 188 Street and 189 Street.
- To access residences and businesses south of Fraser Highway, please turn south on 186 Street to 66 Avenue, then south on 188 Street to 65 Avenue.

Safety is our top priority. Sidewalks, bike lanes and bus stops on this route will be impacted and may not be available. Please follow the onsite signage provided by TransLink and the direction of the crew on site.

Drivers are advised to plan ahead and expect delays. Please reduce speed in the construction zone and follow the directions of traffic control personnel and posted signage.

If you have any questions or would like more information about our work to relocate the power lines and equipment, please contact us at 1-866-647-3334. Look for additional updates at www.bchydro.com/skytrain.

For inquiries directly related to the SkyTrain extension project, please contact surreylangleyskytrain@gov.bc.ca

Above: The work zone for ductbank work on Fraser Highway from 68 Avenue to just past 189 Street is highlighted in blue. Access routes are in green. Access restrictions are in red.
